The Placement Programme

We all welcome you  
to our placement  
program.

Charutar Vidya Mandal's  
CVM  
COLLEGE OF  
FINE ARTS

Charutar Vidya Mandal's

**CVM**

**COLLEGE OF  
FINE ARTS**

(A Constituent College of CVM University)  
Faculty of Arts

Founded a decade ago CVM College of Fine Arts is a premier institute for Art & Design Education equipped with wide range of facilities and infrastructure where young artists & designers would excel in their pursuit of creativity, may it be for expression or application. CVM College of Fine Arts is the first institute in Gujarat to have introduced a placement program. This is one way of expressing our commitment towards holistic development of students.

A student who enrolls in the foundation year is introduced to all the necessary skills for art & design. Starting from there, they learn and grow enhancing their skillset that enables them to handle complex and multifaceted projects by the time they graduate. It is noteworthy that a student has a choice to study all the way till Master level specialising in both Applied Arts & Painting.

Graduating students of Applied Arts, during their course period, undergo extensive study

of different media, mediums & how a product or service can be promoted and advertised using unique & meaningful designs. Similarly graduating students from Painting undergo thorough knowledge of different traditional as well as modern media, various techniques and creative methods that gives life to their thoughts & imagination.

Additionally co-curricular activities are also given due importance during the course period which ensures a holistic development by the time a student graduates. It consists of but not limited to Educational Tours, Expert Lectures, Specialised Workshops, Liberal Arts, Industry Training and more.

Participating candidates are well groomed with industry-ready skillset who would be a valuable addition to a creative team anywhere.

ER. BHIKHUBHAI B PATEL  
Chairman, Charutar Vidhya Mandal  
President, CVM University

Inspired by Sardar Vallabhbhai Patel the founding duo of Bhailalhai Dahyabhai Patel (Bhaikaka) & Bhikhabhai Kuberbhai Patel worked with villages laid the foundation stones of education in the region which has now become a monument of excellence called Vallabh Vidyanagar.

Charutar Vidya Mandal, founded in the year 1945, founder of CVM University has over 30,000 students studying at constituent colleges in Vallabh Vidyanagar. Charutar Vidya Mandal is also managing multiple schools maintaining highest standards of education right from the beginning. Contributions of Shri H M Patel & Shri C L Patel, the past Chairman of Charutar Vidya Mandal has been immeasurable to prepare a stage for the institution that Charutar Vidya Madal has now become.

CVM University is now educating aspiring students from far and wide from within the country and abroad in disciplines Engineering, Commerce, Education, Science, Arts, Physical Education, Architecture, Pharmacy, Ayurveda, Fine Arts and Management.

Headed by the visionary Er. Bhikhubhai B. Patel (President, CVM University), the university has, in recent years, embarked on a journey towards the future which is guided by technology, innovations & excellence. His vision is reflected in the quality and level of education being provided across the colleges and disciplines. Every course and education module is refined and reimagined to fit the needs of the future. It is designed to primarily benefit the student and thus contributing towards a better, greater nation in the years to come.

The university is committed to becoming an education hub for quality education that is at par with not only national but international standards.

# भविष्योजन

## The Placement Programme

It is with great pleasure that we welcome you to the Annual Placement Program presenting the graduating students who are all set to launch themselves into the industry

At CVM College of Fine Arts, students go through not only rigorous educational training but also a wide range of programs and workshops throughout their education which is aimed at their overall development including communication skills, career planning & personality development skills among other kinds of training & development.

The name Bhavishyojan literally means 'future plans'. Staying true to the very essence of the word, this placement program is a platform that brings together students and prospective employers. In-person interaction between the graduating students and prospective employers is facilitated for a more personalised Q&A where students and employers discuss thoughts and ideas that paints a clear picture about what each one is bringing to the table to make a wise choice.

All through the final year of their education

students are trained in a professional environment to receive a deeper understanding about working in an agency, studio or a company. The college aims for future centric education and education methods. The mentors & management is ever keen to go over and beyond the prescribed curricula if it adds value to the career of students. Also close attention is given to individual skills of students and additional efforts are made to encourage those special skills.

Students presenting their work through this program are proficient not only in art & design but also have unique personality traits that would add value to their work environment.
