## 2015-16

(A Self Financed College)  
**4 YEARS DEGREE COURSES**  
[www.cvmfinearts.edu.in](http://www.cvmfinearts.edu.in)  
**Affiliated to Sardar Patel University**

*"We believe in relevant education as well as meaningful learning whereby our students develop their potentialities and become globally competitive."*

## Message from the chairman

Education is a continuous process of transmission of knowledge, culture and civilization. At Vallabh Vidyanagar, we have imbibed the indomitable spirit of true and great visionaries like Sardar Patel, Shri Bhaikaka, Shri Bhikhabhai Saheb and Shri H. M. Patel. It is their far sightedness and missionary zeal that led to the establishment of Vidyanagar six decades ago. Charutar Vidyamandal has established large number of world class educational institutions with excellent infrastructure and infusion of modern technology.

CVM has taken the responsibility of providing quality education to students from Gujarat, all over India and Abroad.

I took this opportunity to introduce our new Institute. The objectives of establishing this Fine Arts institute is to provide quality education in the field of Arts namely Applied Arts, Painting, Sculpture, Film Making, History of Art and different languages

I heartily welcome you all to CVM College of Fine Arts and I am absolutely confident that it will make a huge difference in your life and career, both in a qualitative and quantitative manner.

Dr. C L Patel  
Chairman, Charutar Vidya Mandal

## Message from the principal's desk

Dear Reader,

It is a matter of sheer delight for me to address you from the Principal's Desk. When we started the college, we had grave doubts about our venture and we traded the paths with all the trepidations, but to my surprise we happen to come across a warm cooperation from all sections of our society. Fulfillment of art depends on these three - Tradition, Nature, and Originality. Though these words were pronounced decades ago, they still have a resonance. I, at this juncture, propose to inculcate, if possible, to re-discover for ourselves the true meaning of these three words.

I invite you to join us, in whatever capacity you could, maybe just as a well-wisher, as a connoisseur or as a student to make the dream of few of us, a reality. It would also add a luster to the pleasant place, Vallabh Vidyanagar.

Kanu Patel  
*Principal*

## The University

SARDAR PATEL UNIVERSITY houses more than 129 colleges catering various disciplines including 25 post graduate departments in Science, Social Sciences, Humanities and Business administration. In addition, there are museum, separate hostels for male and female students along with Health Centre.

Sardar Patel University was among the first universities from Gujarat to volunteer for assessment and accreditation by the NAAC (National Assessment and Accreditation Council), Bangalore. The University was awarded 4th star rank in January 2001. Thereby, outperforming many old and large universities in the state and country.

## The Institute

CHARUTAR VIDYA MANDAL is a renowned hub of diversified educational institutions. 'CVM College of Fine Arts' is a dream venture of Charutar Vidya Mandal. It is aimed to provide creative learning environment for various branches of Fine Arts. The institution is equipped with state of all art facilities, studio for every sngle department exhibition hall, arena theatre and lush green garden.

The Institute is divided into four major departments namely Applied Arts, Painting, Sculpture, Film-Making. From foundation courses, a student is lead into the basics of Visual Arts. Experimental work is encouraged, along with excellent craftsmanship training providing various opportunities to young artists and designers to explore themselves. The Applied Arts department trains communication designers for advertising and communication professions. The Painting department provides the study of various traditional and modern media and ways of expression encouraging innovations in forms, techniques and ideas. The Sculpture department initiates students into the handling of various media like clay, plaster, stone, bronze, wood, fiber glass and exposes them to both traditional and non-traditional methods. Film-making programs provide foundation training and specialization in areas like Direction, Cinematography, Editing, Acting, Sound design, etc.

# Placement

## OVERVIEW

The objective of the cell is to provide a strategic platform to synergize and facilitate interaction between academia and industry with an idea to provide Visual Arts student exposure to the industries, creating opportunities for student's project-based learning like graduation projects, industrial training and classroom projects; by providing a meeting ground where the prospective employer can identify suitable candidates for recruitment in their organization. This event also creates awareness among the industries about CVM College of Fine Arts and its various modes of operations.

Students are encouraged to pursue opportunities in areas such as social communication, service sector, Green Design, Universal Design and Experiential Design. The quality of education received by Visual Arts Graduates has contributed to their success at various levels across diverse segments of the economy; their work and ideas have been duly acknowledged nationally.
